

**CARDINAL NEWMAN SCHOOL  
ANNUAL ACTIVE PARISHIONER AFFIRMATION  
2018-2019**

Cardinal Newman Catholic School is open to students of all denominations. However, in order to be admitted to Cardinal Newman Catholic School as *Active Catholic Parishioners*, the students and their parents/guardians must be *active members of their Catholic Parish Church*.

***ACTIVE MEMBERSHIP DEFINITION***

*Active membership in your Parish Church* is determined by your parish directly. Please check with your particular parish to familiarize yourself with that parish's criteria for active membership.

Please understand that it is your Pastor and your Parish that determine whether or not you receive the parishioner tuition rate, not Cardinal Newman School.

***\*The form below MUST be completed and signed by all Catholic families requesting the parishioner tuition rate. Failure to return this form or a denial by your parish will place your family in a Non-parishioner tuition status.***

**AFFIRMATION STATEMENT** (to be signed by parents or guardians)

*I have read the above policy concerning Active Membership in my Catholic Parish Church and I affirm that the students named below and I are now and will continue to be active – registered, attending and contributing – members of our Parish Church and to continue to meet my parish's requirements in order to receive the parishioner tuition rate at Cardinal Newman School.*

*We are active members of the following Catholic Parish Church:*
