Tuition Policy

2018-2019

Tuition

	Non-parishioner Tuition Rates		Parishioner Discounted Tuition Rates	
	Annual	Monthly	Annual	Monthly
7th - 8th Grades	11,640.00	\$970.00	10,122.00	\$843.50
9th - 12 Grades	12,774.00	\$1,064.50	11,109.00	\$925.75

- ❖ **To qualify for the parishioner rate, families must be registered, contributing and active members of a supporting Catholic parish.** They must meet the criteria established by their pastor for the Parishioner rate. Families must designate their parish on the Stewardship Agreement and complete the Active Parishioner Affirmation form. The designated parish will be contacted regarding the families parishioner status. If the family does not qualify under the parish's requirements, the family will be responsible for the non-parishioner rate and their tuition may be increased at that time.
- ❖ All Cardinal Newman families are required to complete and sign a Stewardship Agreement.
- ❖ Unless tuition is paid in full, all Cardinal Newman families are required to participate in the FACTS tuition management program. Tuition payment options are outlined on the Tuition Enrollment Agreement.
- ❖ Students purchase their own textbooks and ebooks. The cost varies depending on the class schedule.
- ❖ In order for a child to participate in summer activities such as sports camps, practices or service hour opportunities through the school, all registration forms must be completed, all fees must be current and their tuition agreement must be set up with FACTS Management.
- ❖ At the end of the grading period, if tuition and fees are not current, MMS portals will be deactivated and report card(s) will not be distributed until the balance is paid in full.
- ❖ Any balances over 60 days past due will result in the family's MMS portals being blocked until payments are current. ***Balances over 90 days are considered extreme and may result in the student's dismissal.***
- ❖ Students withdrawing from Cardinal Newman School prior to the end of the school year are required to pay tuition for the remaining portion of the semester of their withdrawal. Transcripts will not be released until the balance is paid in full with a certified check or money order.
- ❖ ***All past due fees and tuition MUST be paid in order for students to start the new school year. If a past due balance has not been paid, that student's schedule will be held and the student will not be permitted to attend classes until all past due balances are brought current.***

We have read and understand the Tuition Policy of Cardinal Newman School. We understand that failure to abide by these policies may result in our student not receiving semester grades, graduating, and/or not being allowed to return for future years.
